Audition Sides:

DONKEY: wise cracking, good hearted, street wise.

Vocal range top: B4, vocal bottom: C3

I know Duluc! Let me show you the way. I'm like a GPS with fur. Man, I LIKE you. You got the whole "I don't care what anybody thinks" thing down. I respect that, Shrek. You all right. Your roar's pretty scary. And, if you don't mind me saying, if that don't work your breath'll get the job done. But everyone needs a friend. So please, please, PLEASE let me come with you. Can't you just see it? Donkey and Shrek, two stalwart friends on a big city adventure. And I promise, my lips are sealed no more jabbering.

FIONA: quirky, blunt, funny. A lovely princess by day and an ogre at night.

Vocal range top: G6, vocal bottom F3.

I'm cursed. A witch cast a spell on me. So now every night, when the sun goes down, I become this - ugly beast. I'm some fun princess, right? Look at me. I mean, really - who could ever love a beast so hideous and ugly? Princess and ugly don't go together. That's why I can't stay here with Shrek. My only chance to live happily ever after is to marry my one true love. Shrek can never know. You can't ever tell him.

LORD FARQUAAD: comically short. Self-absorbed, quick-tempered.

Vocal range top: D5, vocal bottom B2.

I am Farquaad. Does that name strike fear in your heart, Shrek? You're big and hulking...and wonderfully expendable. All you have to do is rescue my Princess. Then I'll have the wedding I always dreamed of. I'm talking big fluffy cakes, tasteful floral arrangements - let me see the guest list. (Scans lists) You invited My f-f-father? What part of my 'dream wedding' don't you understand? If you let that horrible little man within 10 miles of my kingdom, you will get a knick-knack paddy whack the likes of which you have only READ about. Never. Mention. Him. Again.

DRAGON- tired of babysitting the princess. Falls in love with Donkey.

Vocal range top Eb 5, bottom vocal range F3
